

PUEBLO OF SANTA ANA

RESOLUTION OF THE TRIBAL COUNCIL

RESOLUTION NO. 2022-R-13

**RE: RESOLUTION APPROVING GOVERNOR'S OFFICE MEMORANDUM
NO. 02 PER RESOLUTION NO. 2020-R-14**

WHEREAS, the Pueblo of Santa Ana is a federally recognized Indian tribe governed under a traditional form of government, and possessing all the inherent sovereign powers of self-government; and

WHEREAS, the Tribal Council is the duly recognized decision and policy making body for the Pueblo of Santa Ana; and

WHEREAS, in accordance with Resolution No. 2020-R-14 issued on April 3, 2020, I, Joey Sanchez, hereby issue Governor's Memorandum No. 02, to be implemented within the boundaries of Santa Ana Pueblo lands, as authorized by the Tribal Council and the Resolution. This Amendment is in response to the current Novel Coronavirus Disease (COVID-19) Public Health Emergency and the associated vaccination initiative of the Pueblo of Santa Ana. The intent and purpose of Governor's Office Memorandum No. 02 is to reissue and/or repeal certain previous provisions set forth in the Resolution, including modified measures intended to further ensure a continued, effective response to the COVID-19 pandemic while reinstating specific access for tribal members and expanded operations of the Pueblo of Santa Ana Tribal Government and Santa Ana Business Enterprises; and

WHEREAS, the rapid spread of COVID-19 has impacted cities, towns, and Native American reservations across New Mexico and remains a threat to the public health of the Pueblo of Santa Ana. According to the Centers for Disease Control and Prevention (CDC), COVID-19 cases and deaths have been reported in all 50 states, and the situation is constantly changing. Because travel increases your chances of getting infected and spreading COVID-19, staying home is the best way to protect yourself and others from getting sick; and

WHEREAS, furthermore, the CDC urges that "limiting face-to-face contact with others is the best way to reduce the spread of COVID-19" and "the more closely you interact with others and the longer that interaction, the higher the risk of COVID-19 spread." The greatest risk to our Santa Ana people is gatherings, especially when non-vaccinated individuals are in attendance. Diligence in limiting gatherings is imperative. The best way to protect you and your family from COVID-19 is to get vaccinated. COVID-19 vaccines have been proven to be safe and effective. Vaccines are effective and offer a lower the risk of contracting, spreading, and becoming seriously ill from COVID-19; and

NOW THEREFORE BE IT RESOLVED, by the Tribal Council of the Pueblo of Santa Ana that NOTICE IS HEREBY GIVEN, that pursuant to Resolution No. 2020-R-14, and in conjunction with the Pueblo of Santa Ana Governor's Office Memorandum No. 01 of July 10, 2020, all individuals on the Pueblo of Santa Ana shall comply with the following modified provisions:

2. Modification of Santa Ana Tribal Government Operations
