

PUEBLO OF SANTA ANA

OFFICE OF THE GOVERNOR

30 June 2022

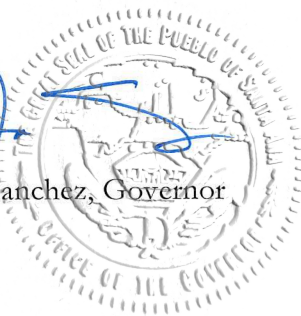

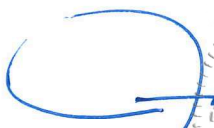

Dear Community,

At a duly called Tribal Council meeting on June 28, 2022, the Council set into action an amendment to the Fireworks Ban issued earlier in the month (attached).

The use of fireworks has been approved for a five (5) day period, beginning on Friday, July 1st and ending on Tuesday, July 5th and only between the hours of 9pm and 11pm. Although we've recently received much welcomed moisture, we are still under drought conditions so extreme caution must be used when setting off fireworks, please have a means of dousing the spent fireworks readily available (e.g.: bucket of water, water hose, fire extinguisher). Further, fireworks are forbidden on rangelands, agricultural fields and near corrals.

Please note that the following types of fireworks are ***prohibited: aerial devices, bottle rockets and roman candles***, and those allowed are ones that do not go higher than 10 feet, nor wider than 8 feet. Be very aware that fines and civil penalties are still in effect regarding prohibited fireworks.

Of final note, the fireworks ban initiated on June 7, 2022, will be fully reinstated on Wednesday July 6, 2022. Thank you.

PUEBLO OF SANTA ANA

OFFICE OF THE GOVERNOR

07 June 2022

To All Residents of Santa Ana Pueblo:

Upon the authority of the Governors to issue directives to protect the health, safety, and welfare of the Pueblo of Santa Ana, and upon consideration concerning of the State of New Mexico's Executive Order 2022-022 declaring severe drought and fire conditions throughout the State and urging municipal and county governments to consider firework bans under the Fireworks Licensing and Safety Act, please take notice of the following:

- In recent weeks, fire danger has increased throughout the State due to warmer temperatures, lower humidity, high winds, and an abundance of dry, fine fuels;
- According to the United States Drought Monitor, approximately 93% of New Mexico is experiencing severe drought conditions, while more than 70% the State is experiencing extreme to exceptional drought conditions;
- Significant fire danger and prevailing drought conditions create the possibility for numerous natural disasters, including severe wildfires, flooding due to severe wildfires, and crop production loss;
- The State is experiencing, or recently experienced, multiple large wildfires, including the Hermits Peak Fire, the McBride Fire, the Nogal Fire, the Calf Canyon Fire, the Cooks Peak Fire, and the Big Hole Fire;
- Federal authorities have recently enacted early measures to respond to increased fire danger in the State by issuing Stage I and Stage II fire restrictions on federal lands; and
- Other tribal governments have also imposed fire restrictions on their lands.
- Accordingly, pursuant to the authority vested in the Governors of the Pueblo of Santa Ana, ***we hereby declare severe drought and fire conditions exist throughout New Mexico and are implementing a Pueblo-wide firework ban.***

We have authorized the Santa Ana Police Department to take necessary steps to enforce the provisions herein. Additionally, we have conferred jurisdiction on the Santa Ana Contemporary Court and the Traditional Court for any enforcement actions that require civil sanctions in relation to any violation of the directives set forth in this correspondence.

Pursuant to the Fireworks Safety and Licensing Act, NMSA 1978, §§ 60-2C-1 to -11, any Indian person, whether member or non-member, found

lighting, purchasing, or selling fireworks within the external boundaries of the Pueblo of Santa Ana, will be subject to civil penalties as follows:

- *1st offense: \$100.00*
- *2nd offense: \$250.00*
- *3rd: \$1000.00*
- *Additional sanctions may also include restitution for damage to personal property.*

These directives shall take effect immediately and shall remain in effect until renewed, modified, or rescinded.

Please understand that all the foregoing measures are intended to preserve and protect the health and safety of the entire community during this time of increased fire danger. We urge all members of our community to cooperate with us to the fullest extent possible as each and every one of us has an obligation to do whatever is needed to keep our community safe. Thank you.
